Bonanza Games A Bounty O' Fun!

Whether you like to search for buried treasures, roam for riches through ancient ruins, breeze by the tropics or uncover loot from a pirate ship, you won't have to travel far. Video King® – with its visually captivating, electronic bingo games – can virtually take you there.

Mayan Gold™, Nero's Coliseum™, Buccaneer Bonanza™ and Hurricane Bonanza™ – with their innovative themes and dynamic graphics – have become a favorite escape. These fast-paced, speciality games are simply electronic versions of the traditional Quickshot Bonanza Bingo paper game. Highly engaging, all these games are played with 24 pre-called numbers with scalable pay table that changes based on the player's wager.

The quick action and entertaining graphics make for a bounty o' fun. All integrate into Video King's PowerTouch™ networked gaming system and are ideal for stand-alone games or to play before, during and after bingo sessions.
